3. **HOW TO ENTER:** To enter the Contest and be eligible to receive one (1) entry (each, an "Entry" and collectively, the "Entries"), the Representative must complete the following steps during the Entry Period:

Step One: Complete Good Deed Pre-Approval Form

Complete the Good Deed pre-approval form on the contest website located at www.ChevroletGoodDeedsCup.ca. The Representative will be required to include in the form a description of the Team's proposed Good Deed. Hockey Canada will review the Good Deed and determine if it meets their sanctioning guidelines (see appendix). Teams will receive approval of the proposed Good Deed within forty-eight (48) hours of completing the pre-approval form.

Step Two: Film a Good Deeds Video

After receiving Hockey Canada's approval in Step One, record a Good Deed video following the guidelines in section 4 "Video format and content" (the "Video"). Video must include the following:

- Team name & location (City/Town and Province)
- Explanation of the Good Deed and a demonstration of how the idea would be executed
- How the Good Deed supports inclusivity in your community and/or for hockey

Videos must be a minimum of 30 seconds and a maximum of 60 seconds. Video can be filmed with one member of the Team speaking on behalf of the Team or multiple Team members speaking. As detailed in section 4 below ("Video format and content"), the Video must be created in compliance with applicable advice, recommendations and instructions of public health officials related to COVID-19.

Step Three: Submit A Good Deed Video Link

First, have an account (to which the Representative has access and/or control) on a video sharing platform (example – YouTube or Vimeo) in the name of the Team, and that is set to public and will remain public during the Contest Period (the "Video Account"). If the Team does not have a Video Account, one will need to be created. Entrants are subject to the respective video sharing platform's rules and policies which are available on the video sharing platform's website. Sponsor is not responsible in any way for any decisions made by the applicable video sharing platform regarding the Team's uploaded content or Video Account.

Once the Team has a Video Account, upload the Good Deed Video to the video sharing platform. Video must comply with the video sharing platform's rules and policies and the Video format and content requirements detailed in section 4 below. In addition, Video must comply with the video sharing platform's community guidelines and/or acceptable use policies – otherwise it will be disqualified. Once the Video is ready, the Representative must complete the Good Deeds Cup Contest registration form on the Contest website and include a link to the Video as part of the

submission.

Step Four: Confirmation of Submission

Once the Representative has (i) received Hockey Canada approval for the Good Deed as described in Step One, (ii) and completed and submitted the registration form together with a link to their Video as described in Step Three, the Representative will receive a notice on the website confirming the submission. The Team will be assigned an Entry in the Contest once the following has been confirmed by Hockey Canada: i) the Representative is an individual who is eligible to be a Representative as per section 2 above; ii) the Representative is not subject to any suspension or other disciplinary measure restricting them from participating in Hockey Canada-sanctioned programming; and iii) where applicable, as in situations where the Representative is a coach or assistant coach of the Team, the Representative is appropriately registered with the Team for the 2021-22 season. There is a limit of five (5) Entries per Team. Each time a Team enters the Contest, Steps One through Four must be followed. Each Video and Good Deed must be unique and must only be entered once into the Contest. By submitting the Team's registration form and Video link as described in Step Three, the Representative is agreeing (on his/her own behalf and on behalf of the Team and each player (and each player's parent or legal guardian) on the Team) that the Sponsor (and those authorized by the Sponsor) shall be entitled to use the Video as provided in these Official Rules (including, but not limited to, pursuant to the license in section 5g below) and is confirming and representing and providing warranty to the Sponsor that: (i) adequate and appropriate consent to participate in the Video and the Contest, as well as for the Video to be used by Sponsor (and those authorized by the Sponsor) as provided in these Official Rules (including, but not limited to, pursuant to the license in section 5g below), has been obtained from the parents or legal guardians of each player on the Team participating in the Video; and (ii) consent has also been obtained from the Team's Minor Hockey Association to enter the Contest and to use the Team's name and logo (see section 5 below for details).
